

**Continuous Registration**

Pursuant to Pacific’s Academic Regulations in the Academic Catalog, all graduate students in graduate degree or credential programs must satisfy the Continuous Registration Policy of their respective programs from the time of admission until all degree requirements are met or their status as a degree- or credential-seeking student is terminated. This includes students who are completing preliminary or final examinations, or presenting terminal projects. If degree or credential requirements are completed between terms, the student must have been registered during the preceding term.

Continuous registration is intended for students who have **completed all required coursework**. The Continuous Registration Policy can be met by registering for GRAD 200 (masters students) or GRAD 300 (doctoral students) at least one semester per academic year (Fall or Spring). For PCSP students, the respective courses are GRAD 2PCSP and GRAD 3PCSP.

Refer to the [Academic Catalog](#), Academic Regulations for additional considerations related to continuous registration.
